## FOR IMMEDIATE RELEASE

### **Sedgwick County EMS Adds More Crews**

(Sedgwick County, Kansas) –As part of the 2002 Budget, Sedgwick County EMS has added two additional crews. The additions include one ambulance with a four-member crew, which was added in January of 2002 and a second of the same added in July.

The addition of these new crews means there are more ambulances available during peak times, at peak locations.

“Citizens rely on this critical service when they need it,” said Sedgwick County Commission Chairman Ben Sciortino. “The addition of these crews allows us to maintain our high level of patient care.”
